

Visionaria 2020

DONATION GUIDE

Since 2017, Visionaria Network supporters have sparked a movement among Peruvian educators that is transforming learning and leadership opportunities for a generation of young leaders. In the past two years, we have built and proven our teacher-training and support model, reaching some of the most isolated schools in the Andes of Peru in a sustainable and scalable way.

*You believe in the power of young people to grow and solve their own problems.
You believe that young women and men will fight for their futures.
You believe in the power of education to make that happen for all students.*

And you trusted us to get to this point, where we now receive weekly inquiries from educators throughout the state of Cusco and have uncovered a pathway to local sustainability and leadership as early as 2021 - through ministry partnerships, private Peruvian philanthropy, and strategic research grants.

We have built our organization and program on a budget of less than \$100k per year since our founding, earning us a reputation for innovation and efficiency among our peers and experts in education and international development.

But we need your help to fill a critical funding gap to sustain the program in key 2020 partner schools. If you make a donation of \$500 or more, you will have the option be recognized on our website as a Visionaria “Leader” or “Champion”:

- **Visionaria Leader:** \$500 - 1,999
- **Visionaria Champion:** \$2,000 - \$3,999*

* We several unique major program sponsorship opportunities (\$5,000+) for individuals and small-foundations who want to leave a legacy of youth-leadership at this critical time.

Visit visionarianetwork.org/support to donate to our 2020 schools program!

Gratefully,
Team Visionaria
